**Register by phone: dial 2-1-1 or 1-800-901-2180**

**Register online at [www.foodbankst.org/CFD](http://www.foodbankst.org/CFD)**

To prevent traffic issues, **please do not arrive before 9AM.** Everyone who has registered will receive food.

Due to supply chain shortages, we will not be packing items in boxes, so some items will be loose in your trunk.

**You may wish to bring boxes or bags to help you bring them from your vehicle to your house.**

You also might not see the same products you are used to receiving at the distribution.

**You may pick up food for up to 4 households per vehicle, if you have separate reservation numbers for them and adequate space in your vehicle.**

If staff/volunteers determine it will be too difficult to fit items in your vehicle safely, we may not be able to fill all of your reservations.

**Make sure you limit the number of people in your car and clean out your trunk to receive food.**

**Susquehanna River Region**
